## A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill.—"While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital."—Mrs. E. SHELDON, 5657 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

Mayors, bankers, lawyers, prominent government, state and county officials, prominent business and professional men and ministers of the Gospel have endorsed Tanlac. Rhea Drug Co.

FOR SALE—DeLand hand power cream separator, No. 10. Cost \$55 new, and is as good as new now. Will take \$30. Mrs. H. S. Bevan, Warren. 11-17

There will be no morning service at the Presbyterian church Sunday. The congregation will join in the service at the court house at the 11 o'clock hour. Regular preaching service at the church 7:30 p. m. Strangers welcome.

We wish to call the attention of our customers and the public that we have installed a two-horse power gasoline engine and are equipped for grinding sausage for the public at 1 cent per pound. Bloom & Mitchell. 11-17

Judge Colin P. McKinney of Ripley has been in Somerville all the week holding the regular term of chancery court for this county. The work of this court is taking longer than it usually does here and has not adjourned up to Thursday morning.

Mrs. M. E. Utterback has rented her place between this city and Macon and will move at an early date to Somerville and engage in the automobile business. She had a public sale Wednesday of this week at which her live stock and farm property were offered for sale.

The new movie auditorium of Dr. C. W. Robertson on the northeast corner of the public square is about completed and the machines have been tested and plans are making today, Thursday, to have the first show this week. The house is an attractive one and is a credit to the town.

I have the best lot of pullets and cockerels that I have ever had for sale and want to get rid of some of them before winter sets in, so as to give more room in my houses and yards for winter. Prices, Cockerels \$2 and up, pullets \$1.50 and up. Single Comb Rhode Island Reds exclusively. W. T. Loggins, Somerville. 11-24

The Falcon has received a full line of samples of Christmas and New Year cards in plain and colored embossing, and will be glad to quote prices to prospective buyers of such goods. We can furnish you with every kind of holiday card you may want and can save you money on your orders. Let us show you the line and quote prices. The Falcon. 11-24

Lamar Clay of Macon, Georgia, was appointed this week by Chancellor Col. P. McKinney as trustee of the S. J. Alexander estate which holds a large sum for the benefit of Mrs. Clay and her children and he tells us that he will probably move at an early date from Macon to Somerville to reside here. B. F. Murrell was the trustee until his death last month.

Very novel was the entertainment given at the high school last Friday when there was held there by the faculty and pupils from 4 to 10 p. m. a carnival, preceded at 2 p. m. by a grand

parade in which there were numerous tastily decorated automobiles that took part. The affair was of an entirely different nature to anything ever seen here in any school entertainment and was pronounced quite successful from every standpoint.

F. H. Jones and family returned last week to Memphis where they will reside in the future. They came to the fourth district from Memphis a few years ago and bought the Bowers farm near Glade Springs, one of the best farms in the county. Mr. Jones recently entered the automobile business in Memphis and after renting his farm to a Mr. Gibson of Arkansas he moved his family back to that city. Their going will be a matter of regret to numerous friends in this county.

"A Womanless Marriage" is the title of an entertainment that will be given at the court house in Somerville on the night of November 24 under the auspices of the Ladies Aid Society of the Methodist church. The entertainment is given under the management of Mrs. Mollie Allen whom Somerville people will remember as once the owner and manager of the Southern Hotel now Hotel Bryson. The prices for admission will be 15 and 35 cents and the public is cordially invited.

This section felt the first real winter Tuesday morning when the thermometer registered eight degrees below freezing. The fall just now giving way to winter has been one of the prettiest this section has had and from appearances of the fields heretofore the farmers have taken advantage of it to get their crops gathered and disposed of. Cotton ginnings have been unusually large, altho the years crop will not figure above an average, and there seems less cotton now in the field than it is the custom to find at the middle of November.

The Memphis conference of the Methodist church is in session at Union City this week and will appoint a pastor for the local church during its session to take the place of the late G. W. Wilson. The new church building is nearly completed and The Falcon learns that it could be ready for use in ten days if the glass for the windows should arrive at once. The new pastor will find on his arrival here one of the prettiest new church buildings in this part of the state, just ready for him. No one from Somerville is attending the conference meeting, and no word has been heard as to who will probably be

## NATURE WARNS

### Against Using Calomel.

The sickening, nauseating feeling that follows the use of calomel is the natural result of disarranging your entire system. Doctors everywhere are agreeing that the action of calomel is not only sickening, but leaves the body sick and weakened.

LIV-VER-LAX is a wonderful substitute for calomel, that has all of its good effects and none of its bad ones. It acts soothingly but thoroughly on the liver, cleansing it of bile, and ridding the entire system of stagnating poisons.

LIV-VER-LAX is strictly a harmless vegetable compound, and is guaranteed to give satisfaction or your money will be returned. Insist on the original, bearing the likeness and signature of L. K. Grigaby. For sale here at 50c and \$1.00 at Rhea Drug Co. 15-1

### Recipes That Tennessee Housewives Will Like

"What to cook?" asks the housewife every day. The question is one that cannot be answered easily even with cook books on every shelf. Miss Geneva Conway, specialist in home economics of the Division of Extension of the University of Tennessee, recently suggested these two recipes for use in Tennessee homes:

**Roller Oat Cookies.**  
1 cup sugar.  
1 cup shortening.  
2 eggs.  
5 tablespoons milk.  
1 cup raisins.  
½ teaspoon salt.  
½ teaspoon soda.  
2 cups flour.  
2 cups raw rolled oats.  
½ teaspoon ground cloves.  
½ teaspoon cinnamon.

Mix as any cookie recipe, and drop one tablespoon of the mixture on a tin or aluminum pan being careful not to get the cookies too close together, as they spread when heating.

**Stuffed Eggs.**  
Cook eggs with shell on in water just under the boiling point, for at least 45 minutes. When cool remove the shell and cut lengthwise. Remove the yolk and mix it with a little salt, vinegar and just a touch of mustard. Return to the white and stick the two halves together with a couple of toothpicks. This will vary the ordinary hard cooked egg.

**Value of Good Maxims.**  
Good maxims are germs of all good; firmly impressed on a memory, they nourish the will.—J. O. Scott.

## MEMPHIS COAL CO.

### COAL AND COKE

Memphis, Tenn.

Nov. 15, 1916.

Mr. G. W. Locke,  
Somerville, Tenn.

Dear Sir:

As you know, it has been impossible for us to get cars on the Southern Railway to load and we have urged the Corona mine to either buy or lease some cars and load coal, to fill orders.

They have just advised us that they feel quite sure they will be able to buy or lease some private cars, but same will average about one dollar per ton cost. We are taking the matter up with you, asking if they can buy or lease these foreign cars, if you would not want coal shipped you on basis of one dollar per ton added for this equipment.

This is exactly the cost it will be to the mine and they will make nothing extra out of it. We suppose you have advanced your retail prices in Somerville like we have done in Memphis and like that has been done all over the country and that you will be glad to get the coal on basis of prices named.

If not, we will continue after the Southern Railway and the mines trying to get Southern cars to ship, but we have never seen conditions as they are. Awaiting your reply, we are, Truly yours

MEMPHIS COAL CO.

The above letter is self explanatory. I wish to advise those who have placed orders with me for coal and all my customers that owing to these unusual conditions I am compelled to advance the price on coal as has been done in Memphis and other places. I regret this condition but it is one neither I nor the companies from whom I buy can control. I have been promised two cars for delivery this week and will fill all orders as promptly and at as low prices as the above conditions will permit.

### NEWS FROM THE COUNTIES

W. H. Claxton, of Fayette county, seeded grass and clover on August 25. Notwithstanding the lack of rain the crop is reported in fine condition.

Sevier county has good stands of red clover, crimson clover and alfalfa although the season has been too dry to bring out the best results.

The Campbellsville Shorthorn Breeders' Association held a successful sale September 27. Forty head of registered cattle were sold, the receipts amounting to \$4,000.

Farmers of Shelby and Hardeman counties are much concerned this year about the ravages of the boll weevil. All of the counties on the border line of south Tennessee are affected.

West Tennessee has had an unusually dry season. Some sections did not have rain from June to October. This interfered with the proper handling of the fields, but crops are giving a fair yield nevertheless.

Two farm demonstrators, assisting the county agent, F. N. Hutcheson, of Marion county, filled their silos with corn stalks after the ears were removed. This silage, together with soy beans and cow pea hay, will be fed to stocker cattle.

The exhibit made by the East Tennessee corn club boys at the East Tennessee Division Fair was unusual in its arrangement, considering its size. Two hundred and fifty ten-ear samples were shown on sloping tables, so that each visitor to the fair could see each ear of each sample.
